

# A Cozy Little Larkin Club

**J**UST a cozy little Club-of-Five, and what jolly times they have! Good times together now and then, however, do not begin to express the complete joy which these five neighbors and friends find in their Larkin Club. Their real delight is a more lasting satisfaction—the beautifying of home, on the practical Larkin Factory-to-Family Plan!

Handsome furniture, artistically designed rugs, tasteful lamps, gleaming silverware—each and every one a Larkin Premium—a wealth of things to make home lovely, are beautifying thousands upon thousands of “forward-looking” homes. These Premiums are given with purchases of Larkin Products—pure foods, soaps, laundry and cleaning supplies, perfumes, toilet articles, and hundreds of other home needfuls you are buying every day.

## Start a Club-of-Five, Yourself!

Every movement for good in a community has its leaders. The leader of a Larkin Club is known as its Secretary. For gathering together a group of friends and neighbors in a Larkin Club and conducting it, Larkin Co pays the Secretary generous Rewards.

“It’s so easy to get up a Club-of-Five”

is the message in hosts of letters that pour in to us. You will find some of these letters on the next page. Take a hint from them. Accept our invitation to you to start your own Club-of-Five. A few calls, maybe a chat or two on the telephone, and almost before you know it, your Club is organized, and you are a Larkin Secretary. Let us tell you how on the next page.
